

## 2009-10 Music Booster Volunteer Form – 2 Sides Form Due September 30

We need your help. In our commitment to bring the highest quality music experiences to your child, we rely on volunteers to assist with hands-on tasks. By volunteering, you will see firsthand how your help contributes to your child's music education.

For efficiency, volunteers are organized into teams. Each team carries out tasks that can be completed in a minimum amount of time. **Please join one or more teams by completing both sides of this form. Return the form to Mr. Loest, Mr. Travis or the school office. If mailing, use the address on page 2.**

A booster officer will call you prior to your Team's event. We will divide tasks equally, so more help means more support for our students and less work for all of us. Thanks!
